FEE-HELP Assistance

FEE-HELP is a loan scheme which assists eligible students (Australian citizens and students on humanitarian visas) to pay their tuition fees. The Australian Government pays the student’s tuition fee to the Australian Guild of Music Education on behalf of the student.

Census dates

Census dates are set by AGMED for each HEP unit of study provided during the academic year. These dates are set no earlier than 20% of the way through the period of time during which the HEP unit of study is taken.

A notice for each census date will be provided to each student who has completed a Request for FEE-HELP assistance.

If a student commences or transfers to a new HEP course of study at the Institute or another provider, they are required to complete a new Request for FEE-HELP. Census dates are published on the Guild website. Please refer to table 1 below (Important dates – Refunds Policy).

Withdrawal from a course

Any student intending to withdraw from a HEP unit of study or a HEP course of study must do so in writing to the Registrar.

Withdrawal from a course – on or before the census date

If a student who has completed a Request for FEE–HELP assistance withdraws from a HEP unit of study, including where the student withdraws from their HEP course of study, on or before the census date, the student will not incur a FEE–HELP debt for that HEP unit of study.

Withdrawal from a course – after the census date

If a student who has completed a Request for FEE-HELP assistance withdraws from a HEP unit of study, including where the student withdraws from their HEP course of study, after the census date, the student will incur a FEE-HELP debt for that HEP unit of study, unless special circumstances arise.

Re-crediting of FEE-HELP balance

Where a student has been unable to complete the requirements of a HEP unit of study and they believe that this was due to special and/or unforeseen circumstances, the student may apply after the census date to have their FEE-HELP balance re-credited.

This application, with supporting evidence, must be submitted in writing to the Registrar of AGMED within 12 months of the withdrawal date. Within 21 days of receipt of the application, the student will be advised of the decision in writing.

If the student's request for re-crediting is successful, AGMED will notify DEEWR of its decision and will refund to the Commonwealth the amount of FEE-HELP paid to it on behalf of the student.

Review of the original decision

Where a student is not satisfied with the decision, they may apply, in writing, for a review of the decision. This review will be carried out by the Dean. A review will either:

- confirm the decision or
- vary the decision or
- set the decision aside and substitute a new decision

Lodging an Application for Review

To lodge an application for review of a decision the student must submit in writing a request for a review accompanied by any supporting information that may be relevant to the review. The application for a review must be lodged with the Registrar within 28 days from the date of notification of the decision that is the subject of the review.

AGMED will acknowledge the receipt of an application for review of a reviewable decision in writing within 14 days of receiving the application for review.

AGMED will advise the applicant in the acknowledgement letter that:

- if the reviewer has not advised the applicant of a decision within 45 days of receiving the application for review, the reviewer is taken to have confirmed the original decision and;
- the applicant may apply to the Administrative Appeals Tribunal (AAT) for a review of the decision.

When a review decision has been made AGMED will:
